

A perfect day at school?

By Jack Morgan and Euan Tarn

IT'S not often that children can say that they've had a perfect day at school... but the children at Grange Park can!

It all started when the children of Year 5 were divided into teams and challenged to create the perfect school day.

They were given a budget of £250, access to telephones, yellow pages and the internet and set out to find the right stuff to make the perfect school day.

They went everywhere from the army to nail art salons.

The teams earned points for good planning and use of money and imagination.

The team with the most points at the end of two weeks was the winner!

The teams were The Wild Kids, The Devil Chal-

lengers Red Devils, The World Winners and the overall winners the Brainiac Toxic Terrors... but that was only the first week.

The second week was the real fun.

The teams were set a series of SEVEN challenges to complete in one day.

The challenges included a cookery competition where the teams had to design and make a healthy snack in just half an hour, a limerick challenge where the children wrote poems about our school and a general knowledge quiz.

There were also maths problems to solve, a P.E. game to design and demonstrate and a spelling test.

The points were added up at the end of the day and the winning team, the Brainiac Toxic Terrors, brought their perfect school day to life a few weeks later.

YUMMY!

NOT JUST GIRLS GET THEIR NAILS DONE!

THE NAIL ART WAS A BIG HIT!!!

By Jak Neal and Michael Thompson

HAVE you ever had a perfect day? We have, and what's more, our perfect day was at school of all places!

A team of Year 5 children: Bronya Donkin, Jack Morgan, Jordan Gelder, Andrew Lowes, Tyler Sewell and Adam Burnett organised an excellent day for us and they did a better job than our teachers!

One rainy morning in June, everyone arrived at school wearing their own clothes... how cool is that?

After registration, the whole school got to watch a wicked magic show by Lido the Magician who

didn't charge us a fee! Also allowed was nail art, if you think nail art is just for girls - think again. The boys had England flags painted on their nails.

We had a Brazilian soccer skills coach in school all morning and Tyne Tees TV came to film us. The afternoon was just as exciting. We had 2 bouncy castles, a Karaoke and a Penalty shootout.

We were able to play with our toys in the classroom.

How cool and glamorous is our

school...now THAT is a school day!!!
