### **Grange Park Parent and Teacher Association**

'The PTA' would like to invite you to our Annual General Meeting, 'AGM' in the staff room at school at 3.30 pm next Monday, 8<sup>th</sup> October. The meeting is open to any family members of children in the school and not just parents. We have grandparents who enjoy helping us!

At the AGM we will talk about future fund-raising events and also decide how best to spend the money that the PTA has raised, to benefit the children in the school.

We would like to welcome anyone who would like to become involved in this important and rewarding part of school life and hope that you will join us. We look forward to seeing you there!
